Use of MEDICAL RECORDS
I have received a copy of the HIPAA privacy notice explaining how my medical information can be used.

Risks and Responsibility
I understand that all medical care and treatment has some risks and side effects. I will make my decisions about treatment with those risks in mind and agree not to hold my physician, midwife, or any employee of Women's Health Partners liable for such side effects or adverse outcomes from treatment.

I understand that all tests such as mammograms; pap smears, blood tests, and others have some degree of error and do not guarantee that I am free of disease.

I also agree and understand that it is my responsibility to follow and perform tests as ordered by my healthcare provider, to be aware of the results, and to schedule and keep appointments for follow up as directed by my physician, midwife, or other employee of Women's Health Partners.
